

Last years new format was a HUGE sucess. It was a totally different, fun atmosphere. We changed just a bit this year (Reps decision) to accomadate more cuers/callers. If you are a caller/cuer and agree to participate in the program your registration fees will be paid as long as you indicate below.

We appreciate your advance registration which helps in the planning of a great event. If you want to call or cue please pre-register or call Steve so we can get you on the schedule.
